#### THE COMPANY

We are a global technology solutions company with an extensive ecosystem delivering design, product, marketing and supply chain expertise for customers at every stage of the product lifecycle. Founded in 1921 and incorporated in New York in 1955, we work with over 1,400 technology suppliers to serve 2.1 million customers in more than 140 countries.

For nearly a century, we have helped our customers and suppliers realize the transformative possibilities of technology while continuously expanding the breadth and depth of our capabilities. Today, as technologies like the Internet of Things ("IoT") continue to increase the complexity in product development, we assist customers in bringing their products to life. Most recently we have enhanced our expertise in design, supply chain and logistics by acquiring the capabilities to better serve customers in the earlier stages of product development—encompassing research, prototyping and manufacturing—through the purchase of Premier Farnell (fiscal 2017), Hackster.io (fiscal 2017) and Dragon Innovation (fiscal 2018). Our ecosystem is designed to match our customers' needs along their entire product development journey, providing both end-to-end and à la carte support options, as well as digital tools, to meet varying needs and buying preferences.

Our principal executive offices are located at 2211 South 47th Street, Phoenix, Arizona 85034, telephone (480) 643-2000.

#### RISK FACTORS

Investing in our securities involves risks. Before you invest in our securities, you should carefully consider the risk factors described in our most recent Annual Report on Form 10-K, in subsequently filed Quarterly Reports on Form 10-Q and in any applicable prospectus supplement, as well as the risks described in "Management's Discussion and Analysis of Financial Condition and Results of Operations" and cautionary notes regarding forward-looking statements included or incorporated by reference herein, together with all other information included or incorporated by reference in this prospectus and any applicable prospectus supplement. These risks could materially affect our business, results of operations or financial condition and cause the value of our securities to decline. You could lose all or part of your investment.

#### USE OF PROCEEDS

Unless the applicable prospectus supplement indicates otherwise, we intend to use net proceeds from the sale of the securities for our general corporate purposes, which may include the refinancing of existing debt, capital expenditures, acquisitions, repurchases of our common stock, and working capital. We may temporarily invest funds that are not immediately needed for these purposes in short-term securities.

#### **DESCRIPTION OF SECURITIES**

We will describe the material terms of any securities to be offered in one or more supplements to this prospectus. Debt securities offered under this prospectus will be governed by a document called an "Indenture." Unless we specify otherwise in the applicable prospectus supplement, the debt securities will be issued under an Indenture, dated as of June 22, 2010, between us and Wells Fargo Bank, National Association, which acts as Trustee. In addition to the material terms of the Indenture described in the applicable prospectus supplement, you are urged to review the Indenture, which is incorporated by reference as an exhibit to the registration statement of which this prospectus is a part.

#### PLAN OF DISTRIBUTION

We may sell the offered securities:

- through underwriters or dealers;
- · through agents;

- directly to one or more purchasers; or
- through a number of direct sales or auctions performed by utilizing the Internet or a bidding or ordering system.

We may distribute the securities from time to time in one or more transactions at a fixed price or prices, which may be changed, or at market prices prevailing at the time of sale, at prices related to the prevailing market prices or at negotiated prices.

#### **Sale Through Underwriters or Dealers**

If we use underwriters or dealers in the sale of offered securities, such underwriters or dealers will acquire the securities for their own account. The underwriters or dealers may resell the securities in one or more transactions, including negotiated transactions, at a fixed public offering price or at varying prices determined at the time of sale. The obligations of the underwriters or dealers to purchase the securities will be subject to certain conditions. The underwriters or dealers will be obligated to purchase all the securities of the series offered if any of the securities are purchased. The underwriters or dealers may change from time to time any initial public offering price and any discounts or concessions allowed or re-allowed or paid to dealers.

### Sale Through Agents

We may sell offered securities through agents designated by us. Unless indicated in the applicable prospectus supplement, the agents will agree to use their reasonable best efforts to solicit purchases for the period of their appointment.

#### **Direct Sales**

We may also sell offered securities directly to the public. In this case, no underwriters or agents would be involved.

#### Sale Through the Internet

We may from time to time offer securities directly to the public, with or without the involvement of agents, underwriters or dealers, and may utilize the Internet or another electronic bidding or ordering system for the pricing and allocation of such securities. Such a system may allow bidders to directly participate, through electronic access to an auction site, by submitting conditional offers to buy that are subject to acceptance by us, and which may directly affect the price or other terms at which such securities are sold.

Such a bidding or ordering system may present to each bidder, on a real-time basis, relevant information to assist the bidder in making a bid, such as the clearing spread at which the offering would be sold, based on the bids submitted, and whether a bidder's individual bids would be accepted, prorated or rejected. Typically the clearing spread will be indicated as a number of basis points above an index treasury note. Other pricing methods may also be used. Upon completion of such an auction process, securities will be allocated based on prices bid, terms of bid or other factors.

The final offering price at which securities would be sold and the allocation of securities among bidders, would be based in whole or in part on the results of the Internet bidding process or auction. Many variations of Internet auction or pricing and allocation systems are likely to be developed in the future, and we may utilize such systems in connection with the sale of securities. The specific rules of such an auction would be distributed to potential bidders in an applicable prospectus supplement.

If an offering is made using such bidding or ordering system you should review the auction rules, as described in the applicable prospectus supplement, for a more detailed description of such offering procedures.

#### **General Information**

Underwriters, dealers and agents that participate in the distribution of the offered securities may be underwriters as defined in the Securities Act, and any discounts or commissions received by them from us and any profit on the resale of the offered securities by them may be treated as underwriting discounts and commissions under the Securities Act. We will identify any underwriters, dealers or agents, and describe their compensation, in the applicable prospectus supplement.

We may have agreements with the underwriters, dealers and agents to indemnify them against certain civil liabilities, including liabilities under the Securities Act, or to contribute with respect to payments which the underwriters, dealers or agents may be required to make. Underwriters, dealers and agents may engage in transactions with, or perform services for, us or our subsidiaries in the ordinary course of their businesses.

#### VALIDITY OF SECURITIES

The validity of any offered securities will be passed upon for the Company by Michael R. McCoy, Assistant General Counsel of Avnet, Inc. Mr. McCoy is the beneficial owner of shares of our common stock. Certain legal matters with respect to the offered securities will be passed upon for the underwriters, dealers or agents, if any, by their counsel.

#### **EXPERTS**

#### PART II

#### Item 14. Other Expenses of Issuance and Distribution.\*

The following table sets forth the estimated fees and expenses payable by us in connection with the registration of the securities registered hereby:

- \* In accordance with Rule 456(b) and 457(r), we are deferring payment of the registration fee for the securities being registered hereby.
- \*\* Because an indeterminate amount of securities is covered by this registration statement, the expenses in connection with the issuance and distribution of the securities are not currently determinable. The estimate of such expenses in connection with securities offered and sold pursuant to this registration statement will be included in the prospectus supplement.

#### Item 15. Indemnification of Directors and Officers.

Section 721 of the New York Business Corporation Law (the "NYBCL") provides that indemnification and advancement of expenses granted pursuant to the NYBCL are not exclusive of any other rights to indemnification and advancement of expenses that a corporation may grant to a director or officer through its certificate of incorporation or by-laws or, when authorized by such certificate of incorporation or by-laws, by a duly authorized resolution of its shareowners or directors or by agreement, provided that no indemnification may be made to or on behalf of any director or officer if a judgment or other final adjudication adverse to the director or officer establishes that his acts were committed in bad faith or were the result of active and deliberate dishonesty and were material to the cause of action so adjudicated, or that he personally gained in fact a financial profit or other advantage to which he was not legally entitled.

Section 722(a) of the NYBCL provides that a corporation may indemnify a director or officer made, or threatened to be made, a party to any action other than a derivative action, whether civil or criminal, against judgments, fines, amounts paid in settlement and reasonable expenses, including attorneys' fees actually and necessarily incurred as a result of such action or proceeding, or any appeal therein, if such director or officer acted, in good faith, for a purpose which he reasonably believed to be in, or, in the case of service for any other enterprise, not opposed to, the best interests of the corporation and, in criminal actions or proceedings, in addition, had no reasonable cause to believe that his conduct was unlawful.

Section 722(c) of the NYBCL provides that a corporation may indemnify a director or officer, made or threatened to be made a party in a derivative action, against amounts paid in settlement and reasonable expenses, including attorneys' fees, actually and necessarily incurred by him in connection with the defense or settlement of such action, or in connection with an appeal therein, if such director or officer acted, in good faith, for a purpose which he reasonably believed to be in, or, in the case of service for any other enterprise, not opposed to, the best interests of the corporation, except that no indemnification will be available under Section 722(c) of the NYBCL in respect of (1) a threatened or pending action which is settled or otherwise disposed of, or (2) any claim as to which such director or officer shall have been adjudged liable to the corporation, unless and only to the extent that the court in which the action was brought, or, if no action was brought, any court of competent jurisdiction, determines upon application, that, in view of all the circumstances of the case, the director or officer is fairly and reasonably entitled to indemnity for such portion of the settlement amount and expenses as the court deems proper.

Section 723 of the NYBCL specifies the manner in which payment of indemnification under Section 722 of the NYBCL or indemnification permitted under Section 721 of the NYBCL may be authorized by the corporation. It provides that indemnification by a corporation is mandatory in any case in which the director or officer has been successful, whether on the merits or otherwise, in defending an action. In the event that the director or officer has not been successful or the action is settled, indemnification must be authorized by the appropriate corporate action as set forth in Section 723. Section 724 of the NYBCL provides that, upon application by a director or officer, indemnification may be awarded by a court to the extent authorized under Section 722 and Section 723 of the NYBCL.

Subject to certain limitations, Section 726 of the NYBCL authorizes a corporation to purchase and maintain insurance to indemnify (1) the corporation for any obligation that it incurs as a result of the indemnification of directors and officers under the provisions of Article 7 of the NYBCL, (2) directors and officers in instances in which they may be indemnified by a corporation under the provisions of Article 7 of the NYBCL, and (3) directors and officers in instances in which they may not otherwise be indemnified by a corporation under Article 7 of the NYBCL, provided the contract of insurance covering such directors and officers provides, in a manner acceptable to the superintendent of financial services, for a retention amount and for co-insurance.

Article VIII of our Restated Certificate of Incorporation provides as follows:

No director of the Corporation shall be personally liable to the Corporation or its shareholders for damages for any breach of duty as a director, provided that nothing contained in this Article VIII shall eliminate or limit the liability of any director if a judgment or other final adjudication adverse to him or her establishes that his or her acts or omissions were in bad faith or involved intentional misconduct or a knowing violation of law or that he or she personally gained in fact a financial profit or other advantage to which he or she was not legally entitled or that his or her acts violated Section 719 of the NYBCL. No amendment, modification or repeal of this Article VIII shall adversely affect any right or protection of a director that exists at the time of such amendment, modification or repeal.

Section 6.6 of our By-laws provides as follows:

The Corporation shall indemnify to the full extent permitted by law any person made or threatened to be made a party to any action or proceeding, whether civil, criminal, administrative or investigative, including an action by or in the right of any other enterprise which any director or officer of the Corporation served in any capacity, by reason of the fact that such person or such person's testator or intestate is or was a director or officer of the Corporation or serves or served such other enterprise in any capacity at the request of the Corporation. Expenses incurred by any such person in defending any such action or proceeding shall be paid or reimbursed by the Corporation in advance of the final disposition of such action or proceeding promptly upon receipt by it of an undertaking by or on behalf of such person to repay such expenses if it shall ultimately be determined that such person is not entitled to be indemnified by the Corporation. The rights provided to any person by this by-law shall be enforceable against the Corporation by such person who shall be presumed to have relied upon it in serving or continuing to serve as a director or officer as provided above. No amendment of this by-law shall impair the rights of any person arising at any time with respect to events occurring prior to such amendment. For purposes of this by-law, the term "corporation" shall include any constituent or subsidiary corporation (including any constituent of a constituent or subsidiary of a subsidiary) absorbed by the Corporation in a consolidation or merger; the term "other enterprise" shall include any corporation, partnership, joint venture, trust, employee benefit plan or other enterprise; service "at the request of the Corporation" shall include service as a director, officer or employee of the Corporation which imposes duties on, or involves services by, such director, officer or employee with respect to an employee benefit plan, its participants or beneficiaries; any excise taxes assessed on a person with respect to an employee benefit plan shall be deemed to be indemnifiable expenses; and action taken or omitted by a person with respect to an employee benefit plan which such person reasonably believes to be in the interest of the participants and beneficiaries of such plan shall be deemed to be action not opposed to the best interests of the Corporation.

As permitted under the NYBCL and our governing documents, we have entered into indemnification agreements with each of our directors and officers. In addition to providing for indemnification to directors and officers in specified circumstances, these agreements require us to advance certain expenses to a director or officer in an action that may give rise to an indemnification right, provided that,

among other things, we receive an undertaking from the director or officer to repay such expenses if the director or officer is ultimately found not to be entitled to indemnification, as required by Section 726 of the NYBCL.

#### Item 17. Undertakings:

The undersigned registrant undertakes:

- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:
  - (i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

- (iii) To include any material information relating to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (1)(i), (1)(ii) and (1)(iii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the SEC by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement or is contained in a form of prospectus filed pursuant to Rule 424(b) under the Securities Act of 1933 that is part of the registration statement.

- (2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
  - (4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:
- (i) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) under the Securities Act of 1933 shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and
- (ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5) or (b)(7) under the Securities Act of 1933 as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after the effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. *Provided however*, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement or made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.
- (5) That, for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities, the undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

Re: Registration Statement on Form S-3

#### Ladies and Gentlemen:

Avnet, Inc., a New York corporation ("Avnet" or the "Company"), is filing with the Securities and Exchange Commission (the "Commission") a Registration Statement on Form S-3 (the "Registration Statement") under the Securities Act of 1933, as amended (the "Act"). The Registration Statement relates to the registration by the Company under the Act of the offer and sale by the Company from time to time, pursuant to Rule 415 under the Act, of the following: (i) debt securities, which may be issued pursuant to an Indenture, dated as of June 22, 2010 (the "Indenture"), by and between the Company and Wells Fargo Bank, National Association, as trustee, (ii) common stock of the Company, par value \$1.00 per share, (iii) preferred stock of the Company, (iv) warrants, (v) depositary shares, (vi) purchase contracts, and (vii) units (collectively, the "Offered Securities").

I, as the Assistant General Counsel of Avnet, have examined the Registration Statement and the Indenture included as an exhibit thereto, such records of Avnet's corporate proceedings and such other documents of Avnet, and have made such other factual and legal investigations, as I deemed necessary or appropriate in order to render this opinion. In my examination, I have assumed the genuineness of all signatures, including endorsements, the legal capacity and competency of all natural persons, the authenticity of all documents submitted to me as originals, the conformity to original documents of all documents submitted to me as facsimile, electronic, certified or photostatic copies and the authenticity of the originals of such copies.

In rendering the opinions set forth below, I have assumed that: (i) the board of directors of the Company has taken such additional corporate action as is contemplated and necessary (a) to authorize the issuance, sale, execution and delivery of any Offered Securities and (b) to fix or to otherwise determine the consideration to be received for the Offered Securities and the terms of the offer or sale thereof, (ii) the Company has established the terms of any series of the Offered Securities in accordance with the relevant terms of the Company's Restated Certificate of Incorporation and By-laws, (iii) the Registration Statement and any necessary post-effective amendments thereto have become effective under the Act, (iv) an appropriate prospectus supplement with respect to the Offered Securities has been prepared, delivered and filed in compliance with the Act and the applicable rules and regulations under the Act, (v) the Offered Securities have been executed and, as applicable, authenticated, and have been duly issued and delivered against payment therefor as approved by the board of directors of the Company and in accordance with applicable law, (vi) the Offered Securities have been offered and sold in compliance with all applicable federal and state securities laws and in the manner stated in the Registration Statement and the appropriate prospectus supplement and any pricing supplement,

(vii) the Company has obtained any legally required consents, approvals, authorizations and other orders of the Commission and any other regulatory authorities and (viii) any indenture relating to the Offered Securities has been duly qualified under the Trust Indenture Act of 1939, as amended.

Based on the foregoing, it is my opinion that:

- 1. The shares of common stock and of preferred stock of Avnet, Inc. (including any common stock or preferred stock duly issued upon conversion, exchange or exercise of any common stock, preferred stock, debt securities, warrants or units or the settlement of any stock purchase contracts), upon the issuance and delivery thereof against payment therefor as contemplated by the applicable underwriting or other securities purchase agreement, and the Registration Statement (including by any prospectus supplement setting forth the terms of such Offered Securities and the plan of distribution), will be legally issued, fully paid and nonassessable.
- 2. The debt securities offered and sold under the Registration Statement, upon the issuance, authentication and delivery thereof against payment therefor as contemplated by the applicable indenture, the applicable underwriting or other securities purchase agreement, and the Registration Statement (including any prospectus supplement setting forth the terms of such Offered Securities and the plan of distribution), will be legally issued and valid and binding obligations of Avnet, subject to applicable bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium and similar laws affecting creditors' rights and remedies generally, and subject to general principles of equity, including principles of commercial reasonableness, good faith and fair dealing (regardless of whether enforcement is sought in a proceeding at law or in equity).
- 3. The warrants, depositary shares, purchase contracts and units of Avnet offered and sold under the Registration Statement, upon the issuance and sale thereof in the manner contemplated by the agreement under which the Offered Securities are issued, the applicable underwriting or other securities purchase agreement, and the Registration Statement (including any prospectus supplement setting forth the terms of such Offered Securities and the plan of distribution), will be legally issued and valid and binding obligations of Avnet, subject to applicable bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium and similar laws affecting creditors' rights and remedies generally, and subject to general principles of equity, including principles of commercial reasonableness, good faith and fair dealing (regardless of whether enforcement is sought in a proceeding at law or in equity).

This opinion is limited to the law of the State of New York, and I express no opinion on the law of any other jurisdiction. The Offered Securities may be issued from time to time on a delayed or continuous basis, and this opinion is limited to the laws, including the rules and regulations, as in effect on the date hereof.

I consent to the filing of this opinion as Exhibit 5 to the Registration Statement and to the reference to me under the caption "Validity of Securities" in the prospectus constituting Part I thereof. I do not thereby admit that I am in the category of persons whose consent is required under Section 7 of the Act.

Very truly yours,

/s/ Michael R. McCoy
